Introduction

At Real Club de Golf Guadalmina, we are waiting the order from the government for a soft opening very soon, due to the soft opening we have created this document where we explain all the security & healthy measurement taken.

Every golf course may take their own security measurements, depending on their facility, but, always following the instructions given by the health organisation.

All the team at R.C.G Guadalmina has been trained and informed about the protocols to follow and the importance of keeping our members safe.
