Explanatory note regarding the mobility of federated athletes in Andalusia

The General Directorate for Sports Promotion, Healthy Habits and Sports Fabric of the Junta de Andalucía sends the Andalusian sports federations an explanatory note - regarding the Extraordinary BOJA number 6 of this Saturday, January 16 - regarding mobility in the territory of the Community Autonomous of Andalusia for athletes with a valid federative license.

According to this new clarification, mobility is allowed through all provinces and municipalities to those federated athletes of absolute category, high level or high performance, coaches, judges or federated referees, provided that the trip is related to a competition activity official.

Which players are NOT part of the absolute category? Those federated amateurs who do not have a handicap, since they cannot participate in an absolute competition.
