

# CONSTRUCTION OF THE NEW MAINTENANCE SHED PROVISSIONAL GREEN HOLE 10

Dear Members:

As scheduled, next Monday July 22nd we will start the construction of the NEW MAINTENANCE SHED on the 10 th hole North Course.

As from that day we will play the temporary green built for that purpose.

The course has been homologated by the R.F.E.G., and for that reason all qualifying competitions played on the NORTH COURSE will be VALID for handicap.

Distance marks have been changed according to the new length of the hole which are 458 meters for gentlemen and 350 meters for Ladies.

We have maintained the par 5 and the handicap 2 of the hole.

The Slope rate and course rate have changed please find the course information the New handicap adjustments.
