

REPORT OF THE COMPETITION COMMITTEE IN PREPARATION OF THE RCGG BOARD MEETING JULY 10, 2020.

Number of meetings since last board meeting: 4

Number of newsletters: 4

Introduction New World Handicap System

The WHS has been implemented in Spain as of June 8.

Although many handicaps have changed, more up than down, the number of complaints by our members is very low. In case it's obvious that the new handicap is wrong we ask the federation for a change.

Changing from colored to numbered tees

Implementation done. Since we are using numbered tees more and more men play the South course from 50 (old red). Furthermore we get very positive comments from a lot of ladies about the new tee 47 South.

Protocol Covid-19 for competition

From the restart of the (social) competitions the Covid-19 protocol was applicable. They are published at the caddy master office and tee 1 of both courses.

Competitions July and August.

Some competitions have been cancelled some will be played. See for a full overview of all competitions in July and August the club' website.

Norberto Goizueta tournament July 14-18, 2020

It is a world ranking tournament, so there are many extra rules such as a doctor and nurse present. Prize giving and social distance will be under covid-19 measurements

Semana Grande August 10-15, 2020

Fortunately all the sponsors have confirmed their financial support. Due to the fact that there will be no prize giving as usual we have decreased the inscription cost to 7,50 for adults and 3,50 for juniors, of course without the applicable greenfee.

Prize giving ceremonies will be on Friday, for the first 4 competitions and Saturday for the team competition. Only prize winners will be allowed to join the prize giving.

A main part of the Semana Grande is the raffle. All raffle prizes will be drawn through an independent person and published at the Guadalmina website. People can collect their raffle prize(s) at the caddy master office.

Although the inscription fee has been considerably lowered it is the objective to organize the Semana Grande at zero costs due to sponsorship and limited prize givings with less cost for drinks and tapas

President's Cup August 29, 2020?

Still to be decided.

***The Andalucía Costa del Sol Open de España 2020 at Guadalmina*

Competition Book and local rules

Both are updated. For instance colored tees are replaced by numbered tees and a local rule for hole 12, 16 and 17 is added.

For more details about some of the above mentioned subjects see the CC minutes, newsletters and Competition Book incl. local rules. All available at the club's website.
