

Acta de la Reunión de la Junta Directiva del Real Club de Golf Guadalmina

English

After the departure of Patricia Jiménez from the Junior Committee in February, and the addition of Gunilla Lindstrom in April, the last 4 months were characterised by learning, team building and getting up to speed on the different activities.

Thanks go to the whole team and in particular to our director Ignacio de Cuvillo and the Director of the School Castor Gómez for ensuring that all activities continued smoothly.
